

## Filing A Renewal Only (RO) in Batch

Filing a renewal only (RO) via EBF is very simple. Only three records are needed: HD, AD and EN. No other record types may be filed if the application purpose is RO (AD 5). The table below is an excerpt from the Standard EBF spreadsheet that is available on the ULS website. The data to send for an RO is highlighted. Only send the highlighted data. Following the table is a sample batch RO application.
